Subject: Tower Standard work plan

Hi John,

I hope your summer is going well and that you haven't had much trouble with all the rain. I've had over 8.5 inches this month at my house. No serious problems, but it would be nice not to have to cut the grass every 4 days.

Any news on the draft work plan for Tower? Just trying to keep my schedule open for when it should show up.

Thanks.

Regards,

Bob
